Entered as second-class matter at the postoffice at Appomattox, Va., under Act of Congress of March 3, 1879.

All communications for publication should reach the office not later than Wednesday morning each week.

The columns of the Times-Virginian are open for the discussion of any subject affecting the public good.

Address all correspondence to the Times-Virginian, Appomattox, Va.

Both Aristotle and Herbert Spencer said that clearness is the first literary quality. But is clarity really favorable to fame? Are not most people looking rather for some darkness and mystic meaning to life? Do not they half hope to stumble upon some magic key to success, or crave some intimate presence too vast and deep for clear utterance.

I have always been unable to find a definite of conduct outlined in the chapters of the alleged super teachers and philosophers. Mayhap I am intellectually inferior. Or, there's a chance that we are prone to accept vague, ambiguous theories as gospel, when the real truth of the matter is that verity is brought not one whit nearer by high-sounding phrases.

We write these thoughts in the light of the current school commencement. The graduates will find no other road to successful hard work and faith. They are plain, simple words, but each one gives graven then new meaning.

Citizens of the United States who have by ideas that take a preservative will probably not interest themselves.

Poison, Luxury, Necessity—the Tomato Evolves In Its Century of Edible Existence

Governor Ferguson of Texas, with Tomato Salad

HOW the tomato has evolved is not so long ago it was regarded as a poison, and, judging by its original name, "love apple," it is a most insidious one. Then it became a luxury. Now the tomato enters into more dishes served on the American table than does any other fruit or vegetable.

No longer a luxury, it has come by way of being an institution so much so, indeed, that a national festival is being held this year to honor the tomato, on the one hundredth anniversary of the discovery that tomatoes are good to eat.

It is a great mineral source, providing phosphorus, calcium and iron, and tomatoes are also exceptionally high in vitamin content. They contain vitamins A, B and C, with the last named in abundance.

JAMES RIVER BAPTIST ASSOCIATION

SPOUT SPRING

Spout Spring, June 13.—Misses Catherine Taylor, of Coleman's Falls and Julia Barry, of Prospect were the weekend guests of Miss Lucy Chick.

Miss Christine Wheeler, of Stone, was visiting Miss Elizabeth Robertson.

Miss Carrie Webb, student nurse in Richmond, is spending her vacation at her home here.

Miss Frances Coleman spent Sunday with Miss Lucy Chick.

Misses Mary West, of Floyd and Morris, of Appomattox, have returned to their homes after teaching this year at Spout Spring.

Guests in the home of Mrs. J. A. Callon Sunday were: Mr. and Mrs. R. W. Morris, Misses Betty and Morris Virginia Holt, Thomas and Carrie Webb, and Mary West, Rev. W. H. Henderson, Mrs. John Webb, Walker and LeGrand Webb, Willie Morris and Herman Robertson.

Marvin Martin, who was hurt while playing, is improving.

Miss Thelma Webb leaves Monday for East Radford, where she will attend summer school.

Mr. Jack Davis is spending this week at Vera.

Mr. and Mrs. Theodore Carson and daughter spent Sunday in the home of W. L. Robertson.

Mrs. Russell Sandborn is sick at her home here.

Miss Virginia Shirel, of Richmond is on a visit to her parents.

Richard Smith, of Lynchburg spent the weekend here.

Chap Adams, of Phenix was the weekend guest in the home of H. Baker.

Mr. and Mrs. Ernest Sears, of Lynchburg visited R. H. Bates during the weekend.

Teacher: Willis, construct a sentence using the word, "Archaic."

Willie: We can't have archaic any more. —Florida Times-Union.

Mother and son slain with hatchet in Los Angeles home.

"Now I'm the Picture of Health," Says Lady After Taking CARDUI

Here is how Cardui helped an Alabama lady. "I suffered from pains in my back and sides, and my head ached very much. I was unable to do my work. I took Cardui and in a few days I was feeling better. I took Cardui and in a few days I was feeling better. I took Cardui and in a few days I was feeling better."

Now I am the picture of health. My color is good and my weight increased. "Thousands of women testify Cardui benefited them. If it does not benefit you, consult a physician."

The U. S. Navy now has 997 fighters and in 1942, with a treaty navy, will require 2,075.

Billiousness Sour Stomach Gas and Headache due to Constipation

Favorite Bible Passages of Amelita Galli-Curci

Singer. Be still and know that I am God. Psalm 46:10.

The Kingdom of God is within you. Luke 17:21.

You shall know the Truth and the Truth shall make you free. John 8:32.

PAMPLIN

Pamplin, June 13.—High school graduation exercises took place on Monday evening. Dr. Thomas R. Baker delivered the address.

The subject "If I Were Going Away" was given by Dr. Baker.

Emmet Louise Ransom and Roy L. Ransom were the first boys with an average of 94.8. Mary Reeves Black had the next highest average.

Mrs. Floyd J. Baldwin and daughter, Mrs. E. C. have gone to Brooklyn to spend a month relatives.

When the ordinary person tries to make "easy" money, he loses it.

"You're lucky, mine's a self-starter." Answer.

Congress again has insisted on being independent—freighted Democrat and Independent Republican.

It's costing so very much to bring property back, we're beginning to wonder if it's worth it. Los Angeles Times.

Anticipation is the pleasant pastime of making plans to spend money that you never get. Duluth News-Tribune.

What we have to learn to do, we learn by doing. Aristotle.

Much learning shows how little moral knowledge; Much wealth, how little worldly power can enjoy. —Young.

Language is the dress of thought.

Dr. Johnson said that no one knows the natural history of a nation for one specimen may appear in half a dozen different dresses in as many days. It was once I saw a green back ground, it soon became a, similar green; remove it and before many hours have passed it will correspond with its new surroundings.
